place them in one of four categories: bronze, silver, gold or platinum. Bendix states that this program is based on objective performance measures versus solely on volume.

Green lubricants debut in Canada

Tom's Secret Formula, a unique line of environmentally-friendly biodegradable lubricants is coming to Canada. B-404, Truckers' Lubricant and Garage Door Lubricant will be available exclusively at Canadian Tire in April. Each product is formulated with natural vegetable oils and has a variety of functions.

- B-404 is a high performance all-purpose lubricant that is safe for all types of metal. It's excellent for loosening rusted or frozen nuts and bolts.
- Truckers' Lubricant is a high performance mechanical lubricant that can be used on hinge pins, tracks and rollers for roll-up doors, and cargo load docks.
- Garage Door Lubricant surpasses the lubricity and performance of traditional garage door lubricants.
