To help Canada go green, three biodegradable lubricants will make their Canadian debut in April.

Tom's Secret Formula, a line of environmentally friendly, biodegradable lubricants, will be available exclusively at Canadian Tire stores.

Each product in the line is formulated with natural vegetable oils and has a variety of functions. The line includes: B-404, a high performance all-purpose lubricant; a garage door lubricant, which has commercial and residential uses; and truckers' lubricant, a mechanical lubricant that can be used on hinge pins, tracks and rollers for roll-up doors, and cargo load docks
